The screenshot shows a mobile application interface for sending money. At the top, there is a status bar with various icons and the time 9:39. Below the status bar is a dark header with a 'P' logo and the title 'Send Money'. Underneath the header is a navigation bar with three tabs: 'ACCOUNT', 'SEND', and 'REQUEST'. The 'SEND' tab is currently selected and highlighted with an orange underline. The main content area contains a form with the following fields and buttons:

- A text input field labeled 'To : Dan Miller'.
- An amount input field labeled 'Amount : 100000.00' and a currency selector button labeled 'USD'.
- A text input field labeled 'Message (Optional) : Sponsorship fee'.
- A 'Clear All' button (disabled, grey).
- A 'Review' button (active, blue).

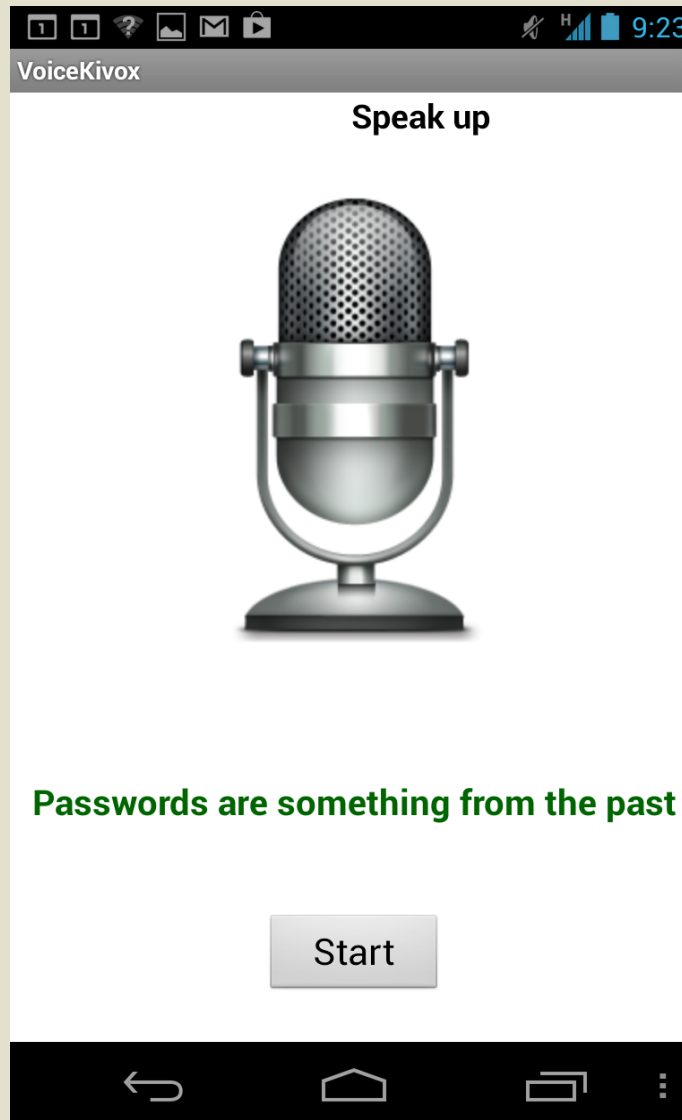

At the bottom of the screen is an Android-style navigation bar with icons for back, home, and recent apps.

# Confirm the transaction amount

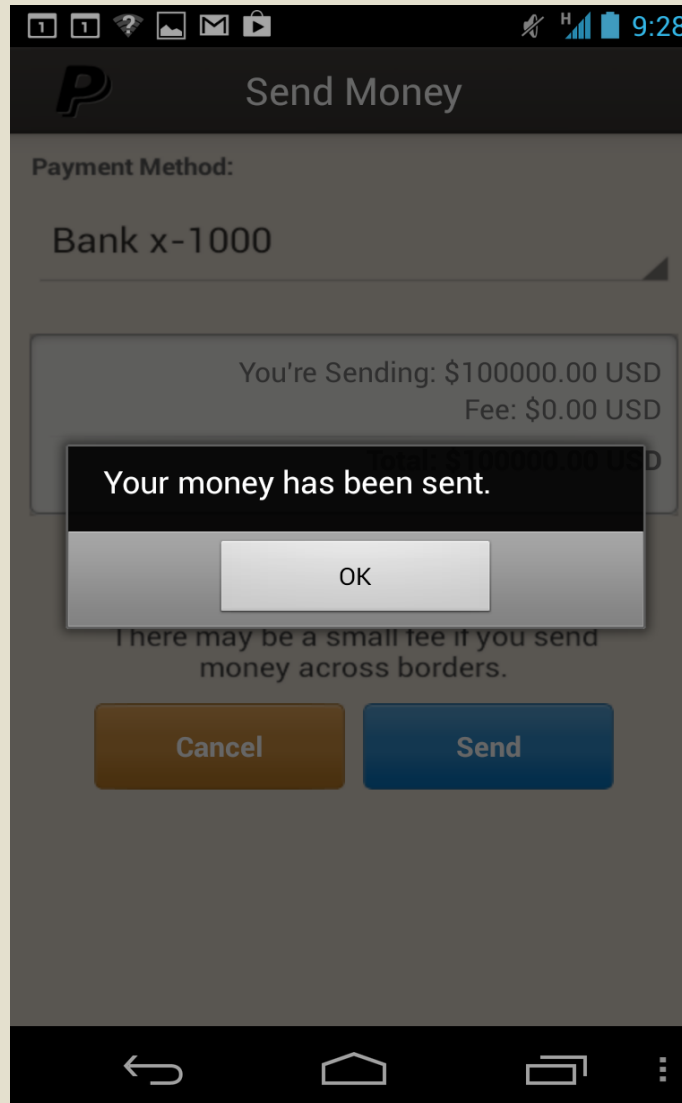

# Approve the transaction using your voice
